

## A PRE-VISIT

We hope that you will find the time to come and meet us before you bring your group. We especially recommend a pre visit if you have not been to Creswell Crags before.

One of our Learning Officers will be happy to show you around, whilst discussing particular ways for you to get the most out of your visit day.

Please contact us on **01909 720378** or email **info@creswell-crags.org.uk** to arrange a pre-visit. There is no charge for this service.

## PRE-VISIT ACTIVITIES

A number of pre-visit activities and other resources are available to help you to prepare for your visit to Creswell Crags. Please see the Education pages on our website **www.creswell-crags.org.uk** for links to these resources.

**If Creswell Crags can provide any further information to help you plan for your visit please let us know.**

## THE VISIT DAY TIMETABLE

You will be sent a Visit Day Timetable with your booking confirmation letter. Please make sure that you are happy with this timetable. In particular please check whether you will need to divide your party into smaller groups, as we are restricted as to how many people we can take into our largest cave at a time. The Visit Day Timetable assigns each group a tribal identity (based on an Ice Age animal) for them to adopt during the course of the day.

**Please note: In these cases we ask that all children and adults know which group they are in before the visit.**

If you need to make any alterations to the Timetable please let us know as soon as possible and we will do our best to accommodate your needs.

## AND FINALLY...

Please ensure that all members of your group remember to wear sensible shoes or boots and bring a waterproof coat!
