

FAMILY FUN ITINERARY

If you are looking for fun then you've come to the right region. Where else can you discover the home of the Ice Age Hunter and Robin Hood. Sherwood Forest is surrounded by a number of family friendly attractions including Creswell Crag, Rufford Park, Clumber Park and Sherwood Pines.

We also have a perfect Elizabethan castle on our doorstep at Bolsover which is ideal for any outlaw in training to attempt to conquer.

At Creswell Crag our own Robin Hood Cave offers cave tours and evidence of creatures and humans from the Ice Age. Not to be missed!
