

COUNTRY WALKS & CYCLING ITINERARY

Creswell's limestone gorge is a beautiful place to begin your exploration of the countryside in this region. Cycle paths and bridleways link us to woodland and heathland of Sherwood Forest and Clumber Park.

Download the Archaeological Way App and discover a trail through thousands of years of history and 11 miles of spectacular countryside.

Sherwood Pines and Clumber Park also offer cycle hire and routes designed for all ages and abilities. The Peak District is within easy driving distance and offers treks and cycle routes through the National Park.
