- Contributing to the creation and development of appropriate formal and informal learning activities for all audiences at Creswell Crags, and presenting these ideas to the Learning Officers for approval.
 - Undertaking regular inspections of the caves, recording observations according to CHT procedures, and reporting areas of concern to the Learning Officers and Duty Manager.
 - Maintaining a clean, orderly and safe working environment, ensuring that all relevant risk assessments are understood and adhered to.
 - Checking and basic maintenance of learning department equipment, recording stock levels of expendable items and forwarding requests for replenishment, advanced repairs or upgrades to the Learning Officers when required.
 - Presenting a warm, welcoming, and accessible point of contact for all person-led learning and engagement activities on site.

 - The Marketing & Events Officer, Curator and the learning team members to promote the unique significance of Creswell Crags to a wide audience.
 - The wider team to develop the creative vision for seasonal events.
 - The wider team to develop the creative content for the website and social media channels.
