

# ACTIVE ADVENTURE ITINERARY

---

Don't just sit there, do something! Our region has so much to offer active families and individuals. Why not take a cave tour and discover a world of fire and flint in Ice Age Britain.

Alternatively you can explore the crags on horseback or by carriage with rides offered by our friends and neighbours at Coloured Cob.

Amen Corner Karting near Rufford Park offer two tracks for beginners and experienced drivers to hone their skills, whilst nearby Go Ape at Sherwood Pines is ideal for the Tarzan and Jane in your life.
